TOSHIBA

Thin, durable and built to perform

Tecra A30-G

dynabook's Tecra A30-G is designed, engineered and manufactured in-house to rigorous quality standards, delivering unrivalled productivity and reliability on the move. With a 10th generation CPU and SSD hard drive housed within an elegant, ultra-thin and sturdy chassis, the Tecra A30-G is tested to MIL-STD-810 military standards and ready for any situation that the working day can throw at it. Business security is taken care of too. Built-in data protection includes unique in-house BIOS for maximum security, along with TPM, biometric login and a range of optional authentication features to ensure your data doesn't fall into the wrong hands.

- 10th generation CPU*
- Ultra-fast SSD hard drive
- USB Type C
- MIL STD 810G
- Bright FHD display (470 NIT*)

*Dependent on configuration
